

Community Ties North October 2024 Newsletter

Headlines

In September we had many exciting events. Our Miracle Popper volunteers were featured in the Hurley Medical Center newsletter where they were praised for their contribution to the community. We had a Connect, Protect & Serve luncheon with officers from the Saginaw Police Department. There was a question-and-answer session, and they treated us to a delicious taco buffet. Our Disco BBQ had us up and dancing to some of our favorite nostalgic music and taking pictures with funny props. We had an exciting outing to the Wilderness Trail Zoo, where they have over 50 different species of animals. We are looking forward to sweater weather and new fall activities in the coming month.

Meet the Staff

Anna has been working as an Activity Aide at CTN for two months. Her favorite part of her job is getting to know the people that we serve. She has been working hard attending university to obtain her bachelor's degree in psychology. In her spare time, she enjoys reading and spending time with her family. Her motto is "Live life to the fullest." Her daughter is her favorite person because she always inspires her to keep going and make life good.

PLEASE NOTE..

We are requesting your help in returning any clothing that may have come from CTN. Unfortunately, at this time we do not have any clothing for emergency use. Please make sure that your individual has at least one change of clothing at CTN at all times. Also, any donations would be greatly appreciated.

As we get into the cold winter season, it is very important that all individuals come to program dressed appropriately. This includes coats, hats, gloves, scarves, boots, and shoes. Please make sure that all personal clothing items are labeled so we can make sure they return home with the correct individual.

Please remember to listen to radio stations WGER 106.3 FM, WSGW 790 AM, WCEN 94.5 FM, or WTLZ 107.1 FM or watch WJRT TV12, WNEM TV5, or WEYI 25 to monitor weather conditions. The message on the screen should read, "Saginaw County Community Mental Health Transportation is cancelled." You may also dial (989)272-7000 for up-to-date closure information.

As we are concerned for the safety of everyone, especially during inclement weather and bad road conditions, please call (989) 272-7208 to let CTN know if your individual is not going to attend program for any reason.
