October 2024

Happy October!!!!

As the trees start to change color the activities here at CTS will change a little too. We will bring back some of the indoor activities like bowling, going to Halloween stores, lunch at Don Felipe's in New Lothrop. Please see the section in pink for outings that cost money. If you have an idea for an outing, please the staff know. We will see if it is feasible. A big announcement, our new program supervisor will be starting in October. You will be meeting her in the next newsletter. We can't wait to meet her!

September activities included: the all-program Picnic with live music, Saginaw Zoo, fishing, and many trips to Frankenmuth. We had a special meeting with the Saginaw Police for a meet and greet session. The police officers were super nice, and everyone enjoyed the time together.

Meet Char

Char has worked with SCCMHA many years with different titles and has worked the last 5 years with CTS as the Director of Services for Persons with Developmental Disabilities. She loves the daily positive impact on our CTS people served. Char stated that she works with some awesome, talented, funny, dedicated staff that keep her motivated. When Char is not working, she enjoys playing in flower gardens, working in the yard, finding unique crafts and creating. She is always finding outdoor projects to do, then she has her children help her build it. We appreciate Char for stepping in at CTS while we find a new supervisor for us.
