

2024

In July we coordinated some activities with the national or world holiday. This has given a few new ideas for activities. An example of this was Candace's Shenanigan's Day. It was National "Be a Dork Day," "Cow Appreciation Day," "Gummi Worm Day," "Give Something Away Day," and "Tapioca Pudding Day."

Candace had something planned for each of those celebrations. So much fun for those that decided to go with her. Next month will be more activities coordinated with the celebration day.

We just received a larger magnetic white board for the activities to be listed on for each day. Sarah S. spent time finding images and a money symbol to help those decide what they want to do for the day and show if it has a cost. Special thank you to our director for getting this board for us.

Aaron has found new and fun activities for us to enjoy. He has put the Owosso Speedway and Briar Ridge Golf (Driving Range) on as regular activities.

Her bucket list is seeing all 50 states and to skydive. Her motto in life is "Is it really worth it to get you that upset in the long run?" We have some new activities for our outings and in the rooms. For tie dyeing on the 23<sup>rd</sup>, please bring a white t-shirt to dye.
